Dear Sirs;

I appose the bill NAB'S petition 04-160.I am telling you to reject this bill as well.I am a truck driver and I depend a great deal on the instant traffic and wheather reports that the XM Radio provides for me.The traffic and wheather reports sre up to date and when i need this information the most.I pay every month for this service.I also depend on other information that the XM Radio provides.Alot of what the XM Radio provides for me i can not find anywheres else.

I do not feel that it should be up to the National Associaton of Broadcasters to dictate what I am permitted to hear.I respectfully urge the FCC ro reject the NAB'S petition 04-160 and to support XM'S ability to provide the kind of programming that I demand and deserve.

Thank You;

Mr. and Mrs. Michael E. Slaucenburg
